

There will be a mix of pre-recordings from Dr Trevor Jones (which covers largely Policy, Waste, General Context, etc) and from Dr John Heathcote (which is largely Financial Appraisal and Project/Programme Planning and Management) combined with some live sessions every day.

The live sessions are as follows:

- Monday the 22nd 4pm-5pm “Management of Environment Issues” Paul Robinson (Nuclear Waste Assessor, Environment Agency)
- Tuesday the 23rd 10am-12.30pm “Regulation part 1” Dr Juliet Long (Environment Agency)
- Tuesday the 23rd 2pm-4pm “The Importance of Waste” plus “Site End States and De Licensing” Paul Robinson (Nuclear Waste Assessor, Environment Agency)
- Wednesday the 24th 2pm-3.30pm “Safety Culture and Safety Cases” Dr John Wilkins (Former Head of Harwell Site)
- Thursday the 25th 10.30am-12pm “Safety, Risk and Project Prioritisation” Stephen Lawton (Safety Consultant, National Nuclear Lab)
- Thursday the 25th 2pm-4pm Guest Lecture on “Waste Disposal, and the NDA Estate” Prof Cherry Tweed (Chief Scientific Advisor to RWM)
- Friday the 26th 10.30am-12.00pm “Planning the Decommissioning Process for the UK’s AGR fleet” Raj Jassal (Nuclear Liabilities Technical Lead, EDF Energy) and colleague Michael Johnston
- Friday the 26th 2pm-4.30pm “Regulation part 2” Andy Baker (Managing Director of Eden Nuclear & Environment Ltd, and former Regulator)

Pre-recorded lectures will be released at the beginning of the week and during the week. Live sessions will possibly be recorded and thus available together with the pre-recorded lectures in case someone can't attend.

An assignment will be released at the end of the week and for the "live" sessions listed above, there will be a Zoom invite accessible via Blackboard.
