IMPORTANT: Rooms for each session are divided into morning and afternoon clusters as follows:

- Monday morning 9.30am-12pm PHYSICS WEST building seminar room 1 (room number "103" by the top of the 1st floor stairs)
- Monday afternoon 1.30pm-5pm UNIVERSITY HOUSE room 106
- Tuesday morning 9am-12pm PHYSICS WEST building seminar room 1 (room number "103" by the top of the 1st floor stairs)
- Tuesday afternoon 1pm-5pm BIOSCIENCES building room 301
- Wednesday morning 9am-12pm ARTS building lecture room 7
- Wednesday afternoon 1pm-5pm ARTS building lecture room 4
- Thursday morning 9am-12pm CHEMICAL ENGINEERING building room 111
- Thursday afternoon 1pm-5pm CHEMICAL ENGINEERING building room 111
- Friday morning 9am-1pm UNIVERSITY HOUSE room 205

A map of the university, providing a useful reference to each of the building locations, can be found at:

https://www.birmingham.ac.uk/documents/university/edgbaston-campus-map.pdf

As a handy tip for the room on the Monday morning, Physics West 103, the Physics West building is located not far from the base of the huge University Clock Tower, which can be seen for miles around. If coming from the University train station, just walk down the hill towards the base of the Clock Tower. Once you are there, it is only about 45 seconds further past the clock tower in the same direction that you've been heading. Once you arrive at Physics West, climb the stairs up 1 floor and the room is then immediately on your right at the top of the stairs.

On the Wednesday afternoon at about 4.30pm there will be Pizza and soft drinks for all students on the PTNR, NDAWM, and NTEC courses. This will be held in the "Vinen Room" (previously called the Physics Library) which itself is also on the 1st floor of the Physics West building. There will be a selection of vegetarian, vegan, gluton-free, and meat topped pizzas available.

Any queries about the week can be sent direct by email to the coordinator for the week, Professor Paul Norman, at:
